

19 December 2023

Dear Y11 Parent

Saturday School 2024

Following a successful initiative last year, we are again planning to run a Saturday School in the run up to the GCSE exam period.

To those of you who have not heard of this initiative, it is a Saturday School where students in year 11 can come into school, working with sixth form coaches and myself on whatever area of study they feel they need to reinforce.

The sessions take place in school between 9.00 am and 12.00 pm. The atmosphere is intended to be more relaxed than a standard school day, with uniform requirements removed. The intention is that students come in with a list of things they need clarifying, and work over the period of time in school to address these areas - *students who turn up with a shopping list of things they wish to do, will get more out of the sessions than those that do not.*

Initially the sessions will run on the following Saturday's:

6th January

13th January

20th January

27th January

3rd February

24th February

2nd March

9th March

16th March

23rd March

I very much look forward to seeing lots of year 11 students over this period.

We will review after the Easter break, to establish the demand and requirements from the year group. I will of course be in touch again nearer this time.

Yours sincerely

Mr G Thompson
Headteacher
