## Join us for a celebration of storytelling!

Sutton Stories is a new creative project celebrating the town of Sutton-on-Sea and the people who live there.

Full of stories about Sutton, stories from Sutton and stories brand new to Sutton this will be a special family event full of tales told in a wide variety of ways!

The event will also be a chance to come and find out more about how Arts Council England funding will benefit the area over the next two years, linked to the Sutton Colonnade building.

Immersive storytellers MBD invite young people to try their hand at making their own game worlds to explore. Learn the basic skills in 3D design, world building, game development, visual storytelling and more.
