<b>French</b>	Hannah Perrin 7C	Emilia Thornalley 13S

Well done Kirsten

- Kirsten Richardson 9C who represented Lincolnshire at the East Midlands Sportshall Athletics Regional Final, on Saturday 2nd March.

Last week **Year 12 and 13 Psychology** students visited Queen Elizabeth's Grammar School in Horncastle, to hear a lecture delivered by two professors from the University of Lincoln. The professors spoke about their fields of interest 'Gambling and Addiction' and the 'Sociocultural effects on Body Image', as well as talking students through their own research.

Final **Exam Timetables** will be issued this week to students who are taking external exams this Summer. Could we ask that parents and students check these carefully, retaining for your own reference.

The **Year 8 HPV vaccinations** are being administered on **Monday 13 May**. Please find attached a letter for your information, your consent is required to enable your child to be vaccinated.

I would like to thank Mr Ralph Ainsworth as he moves on to a new opportunity, for his dedication and support of the school over the years, we wish him well in his new venture. His work within the Science department has been inspirational, for which he has my profound thanks.

We look forward to welcoming Mr Mulrennan to the Science department after the Easter break.

I would like to express my gratitude to all of the Year 12's who have worked with me over the last few months, in the operation of Saturday School, which has been hugely successful and I have very much enjoyed.

And finally, I wish students and staff a relaxing and productive well-earned Easter break. Our last day this term is on Thursday 28 March, and I look forward to welcoming students back on Tuesday 16 April for the Summer term (Monday 15 April is an INSET day).

*Cor unum, via una*

Mr G Thompson  
Headteacher

**Years 12 and 13 Psychology students attending a lecture by the University of Lindon**
