The **Td/IPV & Men ACWY** vaccinations will take place for Year 9 students on **Monday 2 February 2026**. Please read the attached letter and either give or decline your acceptance for this vaccination to be administered.

A reminder that the **Year 8 Parents' & Options Evening** is on **Tuesday 3 February** in the Sports Hall, an appointment sheet has been distributed to students; a copy is attached for your reference. **Y8 Exams** start straight after half term, please be aware that all home learning from Monday 2 February for this half term will be revision-based; we attach an exam timetable for your information.

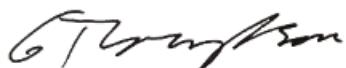

We are holding a **Non-Uniform Day** on **Friday 6 February** to raise awareness of wellbeing/mental health and to raise funds for wellbeing resources and initiatives. Students are being asked to pay £2 per person.

The **Alford Elizabethans' Annual Dinner** is being held on **9 May 2026**, Sofie Bell of the Mablethorpe Ice Cream Company will be our Guest Speaker, click on [bookings](#) to reserve your space.

The invitation is still open to **Year 10 and 11 students** to join our **Saturday School** which runs on **Saturday mornings**, the attached leaflet offers you more information. We have been running a Saturday School for the past few years with great benefits. The hope is that young people attend on Saturdays with a list of topics, or part of topics, that they do not yet fully understand. Our expert coaches will help them to work through these areas. Young people can come and go as they need depending on their learning needs, and I would like to remind students that this is non-school uniform event.

We are pleased to announce the launch of our **E-waste Collection Drive**, allowing unwanted electrical devices - old mobiles, tablets, computers, TVs, monitors, chargers, cables, printers - to be collected in school. E-waste contains toxic materials such as lead, mercury and cadmium which can harm human health and the environment if it is not handled properly. Students will be learning about the dangers of e-waste and how it should be recycled and disposed of in a safe responsible manner. We invite you to bring in any e-waste which will be recycled by a regulated company the school uses **into the school office**.

Cor unum, via una

Mr G Thompson
Headteacher

Calling Year 10 and 11 students, come and join us ...
