

SATURDAY SCHOOL

Do you:

- Need a quiet place to study?
- Want support from someone who's been through their GCSEs?
- Want help finding the revision method that works best for you?

If you answered **yes** to any of these questions, our Saturday School might be just what you're looking for!

We are delighted to announce that our successful Saturday School will be running again this year from Saturday 10 January to Saturday 21 March 2026. Sessions run from 9.00 am to 12.00 noon (see overleaf for list of dates).

What we can offer you:

- Subject student coaches to support your learning and revision.
- A quiet, relaxed and purposeful space to focus, study and reach your potential.
- A set routine and dedicated time for independent study each week.
- An opportunity to share revision with like-minded students who are working towards the same goals.

Come along and make the most of this opportunity to prepare confidently for your exams in a supportive environment! Students from all local schools are welcome to attend and uniform is not required.
