Gifted Musical Instrument Scam targeting Lincolnshire School's and Parents: Lincolnshire County Council Community Safety team would like to make you aware of a scam directed at schools and parents. A person emails a school or parent with photos of a piano (or valuable musical instrument) for sale following a recent bereavement of their husband or wife. They'll ask for upfront payment for delivery and then never deliver the item. Fake adverts can appear on auction sites, online marketplaces, search engines, in your social media feeds or be directly sent to schools, businesses and individuals. Fraudsters can use AI to create adverts that look genuine, but the aim is to steal money from you or sell you fake or non-existent goods. **If you've seen something that doesn't feel right, STOP! What to do if you've already responded to the email:** Don't panic! What you do next depends on whether you've clicked a link, sent information or made a payment. Take a look at advice on [what to do if you've been a victim of fraud](#).

And finally, we look forward to welcoming **Year 10 and 11 students** to our **Saturday School**, the attached leaflet offers you more information.
