East Lindsey Markets would be grateful for your support in helping to promote our local markets by sharing and displaying the attached poster within the community. The markets provide much more than shopping opportunities; they help bring people together, encourage healthy and active lifestyles, support local businesses, and help reduce social isolation. We are also keen to engage with young people and families who may be interested in enterprise and entrepreneurship. Local markets can provide a valuable pathway for aspiring entrepreneurs to develop business skills, test ideas, and gain experience of trading within a supportive community environment. By sharing this information, you could help inspire future business owners and encourage enterprise within East Lindsey. Thank you for your support in helping us raise awareness of the benefits of East Lindsey Markets and the important role they play in our local communities.

Well done Eliza,
Ellis, William,
Freddie, Oliver
and Dominic on
your
achievements!
