

# QUEEN ELIZABETH'S GRAMMAR, ALFORD

---

SIR W L TRAVERS EDUCATIONAL CHARITY

AND THE SCHOOL'S FOUNDATION CHARITY

---

Applications to the Trustees of the School's Foundation Charity and to Sir W L Travers Educational Charity for education awards should be made on this form to:

The Clerk of the School Charities  
Tinn, Criddle and Company, Solicitors  
6 High Street  
Alford  
Lincolnshire  
LN13 9DX

Once you know of the University / College you will be attending, do not delay in returning the form so that if the Clerk has any queries he can contact you. **In any event, application forms must be received no later than 30 September and any applications not received in time, or which are not fully and accurately completed, may not be considered.**

Awards by the Trustees are wholly discretionary and, ordinarily, will only be made to former pupils of the School who complete their secondary education at the School and, subject only to taking a year out, go straight to University/College from the School.

The Trustees of each Charity will meet in early October and cheques for any awards they may make will be dispatched as soon as possible thereafter to the address you indicate in the application form overleaf.

From 2006, and without fettering the discretion they have in these matters, the School Charity Trustees and Sir W L Travers Educational Charity Trustees resolved to make awards only to former pupils of the school attending their first year away at University/College.

Further information, queries and enquiries can be made of The Clerk to the School Charities.
