Dear Parent and Student

We are delighted to announce that **School Photographs** were distributed last week, if ordering through school could you please return the order and payment by Tuesday 5 October.

With future careers in mind, **InvestIN** run a series of bespoke, free-of-charge events for parents specifically designed to help you enhance your students' career potential. This term's schedule includes sessions on how to break into medicine, learning leadership skills, launching a career to fight climate change and much more. Information and your invitation are available by clicking [here](#).

To enable us to use your **child's photograph** within our school community we require your permission. This can be done by giving permission in the intranet. Select 'profile' from the top menu and under 'my profile' select 'data'. Read the terms and conditions and tick to agree and select 'save' to record your permission. May we also remind you to return the **non-residential trip consent** form we requested recently. This is important for day trips and to ensure that we are holding the latest contact information for you.

Keeping young people safe is our first priority, Eventbrite and Parents Protect are offering free online resources which might be of interest to you:

Online safety can be a bit of a minefield and many of us have lots of questions on how we can not only keep our children safe but also let them enjoy the benefits the online world brings. Sign up to access a FREE session: <https://www.eventbrite.co.uk/e/a-date-with-dan-tickets-168597709287>

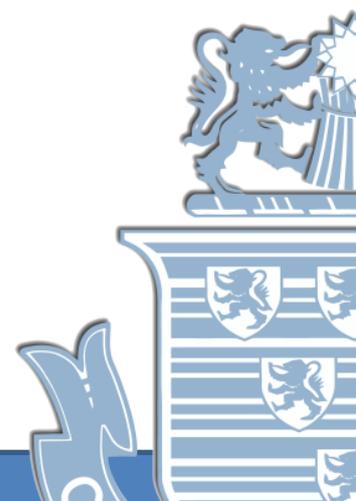

The Lucy Faithfull Foundation has produced some fantastic, bitesize, information clips and resources for parents and students around protecting young people from harmful sexual behaviour both online and offline. Parents can learn from short films telling them what they need to know about child sexual abuse and how to prevent it, including spotting the signs and online safety: <https://www.parentsprotect.co.uk/>
