The Lincolnshire Community Health Services **Covid Vaccination Team** are scheduled to come into school on the 27 January to deliver 1st and 2nd Covid vaccinations. If you would like your child to receive the vaccination, please give your permission today, as detailed in the attached LCSH letters.

May we remind you, in preparation for **Men ACWY and Teenage Booster vaccination** programme to be delivered this month, the School Immunisation Team attach a consent letter for **Y9** parents to complete, along with patient information leaflets for your perusal. Queries relating to completing the consent form can be directed to the School Age Immunisation Service on 01522 572950.

Well done Tazmin, Emily and Joshua on your achievements!

We are delighted that face-to-face parents' evenings will begin again this term. **Year 11** will get the ball rolling on **Thursday 27 January 5pm–8pm** followed by the **Year 8 Options & Parents' Evening** on **Tuesday 1 February 6pm-9pm** and **Year 10** on **Tuesday 8 February 5pm-8pm**. The meetings will be spaced out around the main building rather than all being in the Hall and Canteen as in previous years.

Please ensure the following measures are observed to keep everyone as safe as possible:

- Face masks must be worn at all times unless you are medically exempt.
- Social distancing should be maintained at all times.
- **Only one** parent/relative (with no siblings) should accompany the pupil.

You will need to leave a 5-minute gap between appointments to allow time to move to the room where your next meeting will take place.

The Modern Foreign Languages Department have started an exciting project with other Lincolnshire schools and partners in India on an international **Connecting Classrooms through the Global Learning** project. This programme is organised and funded by the British Council; the attached leaflet offers more detail.
