A further reminder, that the **Year 8 and Year 9 (2nd dose) HPV vaccinations** are now due. The NHS Lincolnshire Community Health Service invites your child to be immunised, the attached letters offer further information and details of how to give your consent (Y9 students should already have given consent). The vaccinations are scheduled for **Thursday 16 June**. Should you have any queries please contact the School Immunisation Team on 01522 572950.

We attach the **JCQ's latest Information for Candidates** on Using Social Media and Examination Assessments. This will be discussed in class, however we recommend that your child fully understands the content therein in preparation for their external examinations and suggest that you read this through with them.

Year 7 to 9 Examination Timetables have been issued to your child today.

In light of the recent changes to Covid guidance, from 1 April, anyone with a positive Covid-19 test result will be advised to try to stay at home and avoid contact with other people for five days, which is when they are most infectious. **For children and young people aged 18 and under, the advice will be three days. Please note that there is now no requirement for work to be set if your child self isolates.**
