

Parents' Evening for Y9 will be on **Thursday 6 June (4.30 – 7.30 pm)** and **Y7 Parents' Evening** will be on **Thursday 13 June (4.30 – 7.30 pm)**. Appointment sheets are attached to this letter and have been distributed to all pupils. Please ensure that a gap of 5 minutes is left between appointments. We would encourage you to attend this evening, they are an incredibly valuable opportunity to discuss your child's progress and support them in their educational journey. *If pupils do attend, we would ask they do so in their school uniform.*

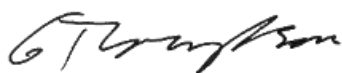

A reminder that we will be holding *student auditions* on **Thursday 13 June** and **Friday 14 June** for our **Summer Celebration Concert** to be held on **Wednesday 17 July at 7.00 pm**. The Summer Celebration is an end of year concert organised by the Sixth Form Leadership Team with all proceeds this year going to our chosen charity [Macmillan Cancer Support](#). The evening will be full of musical performances and feature other entertainment. Students should contact Miss Medler, Evelyn Green (Head Girl) or Freddie Chapman (Head Boy) if they require more information.

The **Design Technology** department has been presented with an opportunity to acquire a laser cutter, complete with supplementary software, filtration system and setup. The cost of the item is **£1750**. This acquisition stands to significantly benefit multiple subjects throughout the school by enriching students' proficiency in model-making and template design across various disciplines (saving time), thereby enabling students to produce final pieces to a professional standard. ***In order to realise this acquisition, we are actively seeking the support of parents, guardians, and the broader community to raise the necessary funds.*** Donations can be made via ParentPay or the school office. Should we achieve our aim, any surplus funds will be allocated towards procuring additional equipment and materials. Thank you for your consideration.

We attach **Examination Results and Post Results Services 2024** information for students taking exams this Summer.

Year 11 students celebrated their last day in school on Friday 24 May, prior to taking study leave if invited to do so, enjoying bouncy castles, music, shirt signing and more during the afternoon. Year 11 students were in great spirits looking forward to their half term break. We wish them all the very best of luck with their remaining exams.

Cor unum, via una
