- Pancake Robotics, the QEGS, Alford Robotics Team, who participated in the Yorkshire qualifying round at Sheffield Hallam University last week, achieving 10th place.
- Millie Brooks 10C, Logan Heath 10S, Danya Jafri 10T & Dominic White 10S who took part in the East Midlands AMSP's MathsFeast. Challenged with a mixture of paired and teamed challenges they acquitted themselves well but, ultimately, were beaten to the top by KEVIGS Team 1. The four worked well as a team, particularly when it came to their strategy for raiding the buffet of cookies and cake. QEGS's first foray into the competition, the students were excellent ambassadors for the school.

**Year 11 GCSE MFL Speaking Exams** take place from **Monday 28 April to Friday 2 May**, students will be given their individual times, which will also be on display in the language classrooms.

Our school PE teams have been working hard this year, representing the school with excellent resilience and teamwork. When students are **selected for PE teams**, they may miss lessons to attend fixtures, which means they must be proactive in catching the work up. *Failure to complete missed work may result in students not being eligible to attend future fixtures.*

**Spring into a new Genre this Easter!** Please encourage your child to visit the library and choose themselves a book or two for the Easter holiday. We have some new books added this week as well as some 'Egg-cellent' Easter reads recommended by our Librarian Ms Jade. Spring is the time of new beginnings, so why not try out a new genre, you never know where it could take you. Or how about browsing our plentiful non-fiction section, there will definitely be something of interest for all, if you are willing to give reading a chance. We are keen to know what you read over Easter so remember to complete a book review onto Reading Cloud and you will be awarded a merit.

The **Lincolnshire Bombers American Football Academy** are looking for players to join their U16s and U19s teams, please read the attached poster for more information.
