Form representatives for this year were presented with their badges last term. Student leadership is very strong at Queen Elizabeth's and form representatives play an important role. They represent their form on the Student Council, which is chaired by **Zak Stuart** (Head Boy) and **Ella Toyne** (Head Girl), supported by **Mortimer Woodhall** (Deputy Head Boy), **Veronika Berezutska** (Deputy Head Girl), **Shrika Danda** (Head of Houses) and **Lily Cooper** (Head of Wellbeing).

Working with their tutor and senior students they act as role models, organising fund-raising activities such as fêtes and charity week:

Exam Information 2025 will be handed out to students over the next couple of weeks, a copy is attached for your information. This clearly outlines what is expected of students during formal examinations. Parents and students do need to be aware that misbehaviour in the examination room is now classed as malpractice, and invigilators have to report this to the Exams Officer and myself. Students need to ensure that they read the information sheet attached making themselves aware of what they need and what is required of them.

Lincolnshire County Council Community Safety Team's (CST) annual [Keeping Safe Survey](#) is now open and will close on 23 May. Please could we ask students to support this initiative by completing the survey as soon as possible. For the last few years, CST have gathered children and young people's views around their online habits and issues they may experience, such as online bullying, harmful contact and contact from strangers, through their Keeping Safe Survey. CST use this information to track apps students are using and to support further education for parents and professionals around supporting students to have safer digital experiences. This year we will also have a focus on students' experiences with scams. Surveys are anonymous and students will not be identifiable from their responses. We appreciate all your support.

As we approach the Early May Bank Holiday weekend, we wish you a happy weekend and look forward to welcoming students back on **Tuesday 6 May**.
