May we ask that if driving to school you **park sensibly along the main road outside school**, avoid parking on both sides directly either side of the school entrances, and never on the zigzag yellow lines. It causes difficulties for school buses and large vehicles to pass, and it is potentially dangerous for pupils who need to cross the road, as visibility is poor. Your understanding on this matter is appreciated.

Cor unum, via una

Mr G Thompson
Headteacher

Please **do not** park on the yellow lines!
